Ready-Set-Move Program

Selling your home and enjoying Avenu's Active Adult lifestyle has never been easier! Make way for a faster home sale with Avenu's Ready-Set-Move Program.

It's a fact. Homes sell faster and look better when you're not in them. So why not relocate now into the area's best 62+ apartment community and prep your house for the hot Fall market?

Consider Avenu's Ready-Set-Move Program and start enjoying Avenu, where a strong sense of community is fostered by daily social programming, on-site services, beautiful amenities, and maintenance-free living.

How It Works

Move in while your house is on the market with a flexible rental agreement. If your house doesn't sell within three months, or if you change your mind, you can easily terminate your lease with a month's notice.

Take the risk out of relocating while you sell your home. Ask us for more information on this helpful program.
